SPRING 2002, Volume 12, Number 1

From the President

Kenneth Suggs

I would like to thank you on behalf of the North Carolina Archaeological Society for your interest in North Carolina archaeology. We are all looking forward to this new year with exciting programs and meetings that will advance the interests of our members and needs to educate and inform the public about archaeology.

In 1972, Dr. Joffre Coe wrote me a letter suggesting joining the then Archaeological Society of North Carolina. I tell you this because now I would like to see more society involvement in getting new members for the NCAS. You can download a membership form from the World Wide Web www.arch.dcr.state.nc.us/ncas.htm or at the next meeting we will have the NCAS brochures with the membership application form. Pick up some and share them with family and friends. A goal would be for each standing member to recruit three to five new members, so get aboard.

Election of Officers

Remember that election of officers is always held at the annual fall meeting. This year, two board positions will become available. Please step forward soon if you are interested in

running or know someone interested and willing to run. Service on the board is an opportunity for you to demonstrate leadership and creativity for our programs and activities, in addition to guidance and decision-making.

2002 NC State Fair

We are in the beginning stages of planning for the 2002 NC State Fair exhibit for October 18-27. We need your help in staffing the booth located in the Gov. Kerr Scott Building. You will get an entrance pass for the day(s) you sign up to work. Shifts generally range in four-hour shifts.

For any input on the election of officers or the 2002 NC State Fair, please contact Dee Nelms at the Office of State Archaeology, 4619 Mail Service Center, Raleigh NC 27699-4619 or at 919/733-7342.

One final news item is that you can now view back issues of the Society's Bulletin (1934-1945) and Newsletter (1938-1999), and the Friends of North Carolina Archaeology's Newsletter (1984-1991) on the World Wide Web www.rla.unc.edu/archives.
